

CORROSIONX BIO SLIDE H₂O

CONCENTRATED, BIODEGRADABLE FORM RELEASE

INTRODUCING CorrosionX Bio Slide H₂O

BIO SLIDE H₂O is a premium quality, concentrated, all-natural, biodegradable form oil that facilitates easy removal of concrete structures from forms while minimizing voids, bug holes and concrete build-up. Designed to be fogged or sprayed into concrete forms. Provides up to five times the coverage of oil-type form coatings.

- Biodegradable
- Nonhazardous
- Extremely low VOCs
- Helps ensure the highest possible quality concrete finishes by minimizing voids and bug holes
- Easy application
- Does not clog spray tips
- Will never stain or discolor
- No unpleasant odor (like many other form oils)

DIRECTIONS

- 1. Prepare Form:** For best results, form must be clean of dirt, debris, dried concrete and rust. To remove rust and dried concrete, we recommend **BLAST OFF** or **SAND BLAST Rust & Concrete Remover**. Wash form with **XTREME CLEAN** and water to remove dirt, debris and to neutralize any residual **BLAST OFF** or **SAND BLAST Rust & Concrete Remover**.
Rinse with water.
- 2. Application:** Simply apply a thin coating of **BIO SLIDE** to all interior surfaces of concrete forms. Product may be applied using most usual methods, including: spraying, dipping, brushing or wiping on.

part # 32301

SAFETY PRECAUTIONS

- **KEEP OUT OF REACH OF CHILDREN**
- Store product in closed, properly-marked containers when not in use.
- Refer to MSDS for complete safety information prior to using this or any other chemical product.

PART NO	Size	DESCRIPTION	QTY. per case
32305	5 gallon	CX Bio Slide H ₂ O	n/a
32302	30 gallon	CX Bio Slide H ₂ O	n/a
32301	55 gallon	CX Bio Slide H ₂ O	n/a
